CONSTANT YIELD TAX RATE: For this taxable year the actual real property tax rate is \$.8523, which is the same as the constant yield tax rate.

BAY RESTORATION FUND: Governor Robert L. Ehrlich, Jr. proposed and the Maryland General Assembly has found that the Chesapeake Bay has experienced a decline in water quality due to over enrichment of nutrients. On May 26, 2004, Governor Ehrlich signed into law Senate Bill 320 that established the Bay Restoration Fund ("BRF"). Senate Bill 320, codified in 2004 Laws of Maryland Chapter 428, requires owners of wastewater treatment plants to collect a monthly fee from their users, effective January 1, 2005. Legislation now requires effective July 1, 2012 that users of on-site sewage disposal systems or holding tanks pay a fee of Sixty Dollars (\$60.00) per user per year. Users of public sewer will be billed by MetCom. If you have a line on your tax bill labeled "BRF," you are being billed this latter amount (\$60.00 per year) because State and County records indicate that your property has at least one user of an on-site sewage disposal system or holding tank and your property is subject to the fee. Your payment of the BRF fee is to be paid to the State by the County and used by the State to upgrade onsite systems and implement cover crops to reduce nitrogen leading to the Bay.

ENVIRONMENTAL AND SOLID WASTE FEE: On May 15, 2007, the Board of St. Mary's County Commissioners adopted the Environmental and Solid Waste Fee (Ordinance No. 2007-04) payable by persons who own improved residential property in St. Mary's County. "Residential property" is all improved property that is residentially zoned and contains one or more dwelling units. This includes, but is not limited to, a single-family home, a duplex, a triplex, a four-plex, an apartment building, a mobile home and/or trailer, condominium, a town house, a cooperative housing unit, or a residential building on a perma-lease. Written requests for appeal of this fee shall be made to the Office of the County Treasurer and must be received by December 31st of the year in which it is due. An appeal may only be granted under the following circumstances: Administrative or clerical errors, number of units inaccurate or a dwelling unit was (1) uninhabitable, or (2) was demolished as of January 2 of the year in which the fee is due. The burden is on the property owner to provide convincing evidence to the County in order to have the appeal considered. 2016 ESW Fee is \$72.00 per dwelling unit.
